As we progress through the winter season our minds turn to visions of all things happy and joyful; friends, family, food, warmth, to name a few; but for some this is not reality. The truth is some women face loss of habitat, financial security, and worst of all physical injury; due to domestic violence, a scourge that although year around, increases during the winter and holiday season.

When a person decides to leave an abusive relationship, they often have nowhere to go. The choices for many are simply staying in the violent environment, going to a shelter, or living on the streets. Reluctance to leave includes leaving pets behind, disrupting children's school attendance, financial security and abandoning most personal belongings. In the Mansfield, Richland County area help is available through the Domestic Violence Shelter, Inc. The shelter can provide transportation from the abusive home to the shelter which gives immediate safety, respite care, and supportive services. According to Executive Director, Kathy Ezawa, the recidivism rate is about six or seven visits, before the final determination to leave is made. In addition to safe housing (locations not disclosed to the public), the shelter provides guests the opportunity to fix their own meals and eat in a dining room as opposed to a cafeteria, play with their children in an enclosed playground, have a clean comfortable room, internet access and quiet places to read. Support groups, legal advocacy, life skills coaching and referrals are some of the services offered. The overall goal is to protect and inspire victims that there are better opportunities in life.

What is domestic violence? The most common answer is physical violence inflicted on a spouse, however the truth is not so simple. Any form of maltreatment including coercion, threats, intimidation, isolation, stalking, emotional abuse, sexual abuse, or economic abuse used to control the other partner constitutes domestic violence. Abuse strikes couples of all races, religions, social economic status and sexual orientations. Risk factors for men or women becoming victims or abusers include poverty, lack of education, witnessing family violence as a child, and attitudes of male dominance, enhanced by substance or alcohol abuse. In some cases this abuse continues to be endorsed in some societies through sanctioning of the subjugation of women and lack of legal protections for gay, lesbian, bisexual, and transgender victims. Although both males and females can be recipients, the preponderance, statistically, are women at about 85%. The seasonal increase is due to both additional money demands and the potential for more social interactions, especially with family. Remember, the drivers are power and control.

The facts:

- DV is the leading cause of injury to women, more than auto accidents, muggings and rape combined.
- Every 9 seconds a women in the US is assaulted or beaten.
- Everyday in the US more than 3 women are murdered by a boyfriend or husband.
- Cost is estimated at \$4.1 billion for direct health care services.
- Loss of productivity is estimated at \$1.8 billion.
- Studies show a direct correlation with homelessness, especially women with children.
- One in four women will experience or have first level direct knowledge of a victim or abuser.

How can you help? Although grants and other financial options help, there is always a need for more; think electric, natural gas, insurance, food, transportation, etc. Direct donation of items such as clothing, linens, toiletries, children's items, etc. are always welcome. Cash or check is another way!

Don't forget volunteers are also needed! Call their office for guidance if required, at 419-774-5845. Their 24-Hour Crisis Line is 800-931-SAFE (7233).

PARENT INFORMATION NIGHT

January 17, 2019

Montessori Preschool & Kindergarten

4:30-5:30 p.m. Location: Montessori House, for parents only

You have never seen a preschool this unique and wonderful

Studies show children ages 2-6 years experience the time of greatest mental development, Dr. Montessori believed that the hands are the chief teacher of the child and Montessori equipment or "works" are designed so that the child learns by using a "hands-on" approach. At this event, parents can observe current students doing "works". The Montessori program provides a preschool education that emphasizes self-discipline, social interaction, sensori-motor, integration skills, quiet play and independent learning. One of the major goals of Montessori education is to help your child become more independent and gain a sense of responsibility for not only his/her work but also his/her behavior.

Research Ranks Montessori Children Above Average In

*Following directions *Turning in work on time *Listening attentively *Using basic skills
*Showing responsibility *Asking good questions *Showing enthusiasm for learning *Adapting to new situations

Parent comments:

"...unlike any other" "...an invaluable foundation" "...your child blossoms under the gentle guidance of caring teachers"

Day 1: Overnight Flight

An overnight flight transports you to a country of stunning landscapes, lively cities and stirring history.

Day 2: Glasgow, Scotland - Tour Begins

Your tour opens in Glasgow, Scotland's Victorian capital city. Start your Scottish adventure with a **visit to the National Piping Centre**. After a demonstration and lesson with a renowned piper, it's your chance to give it a go! Then, join your fellow travelers for a lively welcome dinner at the Centre's farm-to-table restaurant. *Today dinner will be included.*

Day 3: Glasgow - Glencoe - Ballachulish

Enjoy a leisurely morning in Glasgow before visiting one of Scotland's renowned whisky distilleries. Taste and see for yourself why Highland malt whisky is considered the world's finest. Continue on to the Highlands, through the breathtaking scenery of Glencoe and Rannoch Moor, before arriving at your hotel situated on lovely Loch Linnhe. *Today breakfast and dinner will be included.*

Day 4: Ballachulish - Isle of Skye - Ballachulish

Take a stunning drive along the "Road to the Isles" and over the Skye Bridge to the legendary Isle of Skye, also known in poetry and

song as Eilean a' Cheò (The Misty Isle). Enjoy dramatic views of the Cuillin Hills. Then, visit Armadale Castle & Gardens* and the Museum of the Isles to learn about island life and the history of Skye. Conclude your visit with views of the isle from yet another vantage point during a ferry crossing back to the mainland. Returning to Ballachulish, see Glenfinnan where Bonnie Prince Charlie rallied the clansmen for battle during the 1745 Jacobite Rebellion. *Today breakfast and dinner will be included.*

Day 5: Ballachulish - Loch Ness - Thurso

Today, enjoy stunning and unspoiled landscapes as you journey further into the Highlands. Visit the striking ruins of Urquhart Castle before enjoying a **cruise on Loch Ness**, one of Britain's most scenic bodies of water. Keep your eyes open — you never know when Nessie will appear! Travel through the Great Glen, famous for its many lochs (lakes). Your day concludes in Thurso. *Today breakfast will be included.*

Day 6: Thurso - Orkney Islands - Thurso

A day of adventure awaits as you voyage by ferry to the Orkney Islands** — once a Viking stronghold off the coast of Scotland. On the crossing you'll see abundant bird life and, if you are lucky,

porpoises and seals. A local guide introduces this magical place that very few visitors to Scotland get to experience. Visit Skara Brae where you will discover the remains of a Neolithic village built at the same time as the Great Pyramids in Egypt. Next, pass the prehistoric Ring of Brodgar, reported to be older than Stonehenge. Visit the town of Viking Kirkwall before returning to the mainland. *Today breakfast and dinner will be included.*

Day 7: Thurso - Eastern Highlands

Today you will **visit Culloden Battlefield**. On this spot in April 1746, a half-hour battle changed the course of Scotland's history. We also stop at the majestic Dunrobin Castle**** which dates back to the 1300s. Take in the breathtaking views as you drive along the windswept cliffs of Scotland's east coast. Enjoy an overnight stay in the Eastern Highlands. *Today breakfast and dinner will be included.*

Day 8: Eastern Highlands - Pitlochry - St. Andrews - Edinburgh

Begin your day with a visit to a family-run farm set in the heart of the Highlands. See sheepdogs at work while surrounded by the mountain wilderness of Cairngorms National Park. Continue on to the vibrant Victorian town of Pitlochry for some time at leisure before traveling to St. Andrews, the beautiful town in the Kingdom of Fife that gave the world the game of golf. See the Royal and Ancient Clubhouse and the famous Old Course. End your day in

Scotland's capital city of Edinburgh. *Today breakfast will be included.*

Day 9: Edinburgh

Today **it's your choice!** Choose to get acquainted with this regal capital on a locally guided panoramic city tour, exploring both the Old and New towns before visiting the Palace at Holyroodhouse.**** the Queen's official residence in Edinburgh and former home of Mary Queen of Scots **-OR-** for a different perspective you may join a local expert and explore the Old Town and Royal Mile on foot; descend into the city's vast underground vaults and uncover a world unchanged since the 18th century. Both choices include a **visit to Edinburgh Castle**, home of the Scottish Crown Jewels. This evening, give traditional Scottish ingredients a modern twist. **Enjoy a lively and interactive cooking experience** at one of Scotland's premier culinary institutions. With a "wee dram" in hand, toast the end of a wonderful journey. *Today breakfast and dinner will be included.*

Day 10: Edinburgh - Tour Ends

Your tour of Scotland comes to a close today. *Today breakfast will be included.*

Experience It!

The National Piping Centre

Now it's time for some distinctly Scottish music as we visit the National Piping Centre. From your very first steps into this remarkable building you'll be charmed by the unique sounds of the bagpipe. Join an expert who will lead you through the museum to gain insight into the history of this intriguing instrument. Discover its true importance to Scottish culture, past and present. Then, it's your chance to learn how to play! After a short demonstration, give it a try for yourself. Receive your chanter (the piece of the bagpipe that creates the melody) for a bit of practice. Once you get the hang of it, you'll have the opportunity to try out the full instrument. Now that you have worked up an appetite, enjoy dinner at the Centre's lovely farm-to-table restaurant. Savor a modern take on traditional Scottish cuisine and then cap off your evening like a true Scotsman — with a wee dram of whisky!
