“Around here, however, we don’t look backwards for very long. We keep moving forward, opening up new doors and doing new things, because we’re curious...and curiosity keeps leading us down new paths.” ~Walter Elias Disney

In keeping with the back-to-school season and doing new things, CareWorksComp has a few educational opportunities to share with you that we hope you will consider: a Risk Reduction Workshop, and Two Hour Group Safety Training classes.

One important deadline coming up:

November 13, 2017: Group Rating enrollment deadline. Please return your enrollment documents to be filed in the 2018 program. If you are already in group rating and qualify for the 2018 rate year, you will be automatically renewed into next year’s program.

Risk Reduction Workshops: CareWorksComp is pleased to invite customers and non-customers to an exclusive Ohio Workers’ Compensation Workshop: **“How to Apply Intermediate and Advanced Risk Reduction Solutions to Ohio Workers’ Compensation.”** This workshop will offer valuable strategies to keep your BWC premiums down, we highly suggest attending this workshop. (**Attendance at the Risk Reduction Workshop does not count toward the BWC Two Hour Group Safety Training Requirement for the current 2017 Rate Year!*)

Two Hour Safety Training Sessions: We are also pleased to offer Two-Hour Safety Training which meets BWC’s requirement for group rated and group retrospective rated employers. You have two sessions to choose from, 9:00-11:00am or 1:00-3:00pm. We have a session open in Dublin on **December 5, 2017.**

OSHA Electronic Filing Updates: As a reminder, the electronic reporting of OSHA300A Log has been moved to **December 1, 2017** (the online reporting form went live on August 1, 2017.) If you are not sure what your establishment’s responsibilities are in reference to the electronic reporting standard, please feel free to contact Jim Wirth, at 614.827.0370 or jim.wirth@careworkscamp.com.

More than 5,000 Ohio businesses are missing out on rebates from the Ohio Bureau of Workers’ Compensation: The Ohio BWC issued more 160,000 checks in July as part of a \$1.1 billion rebate to Ohio businesses. According to the BWC, there were 5,534 checks totaling \$9.8 million that Ohio businesses have yet to cash. Time is running out to cash them. One check is for nearly \$203,000 and 152 are for at least \$10,000. Uncashed checks will expire 95 days after they were issued. The BWC recently emailed notices to the affected businesses. The bureau can reissue checks that aren’t cashed, but there will be a delay. **For additional information, contact the Ohio BWC at www.bwc.ohio.gov or 1.800.644.6292.**

2018 Group Programs: CareWorksComp has sent group rating and group retro offers and renewals to our current clients; your business may be eligible for **both programs** (we refer to this as “dual eligibility”.) We are happy to discuss these options with you, as each year there may be a different mix of cost-saving strategies that work best for your company. Contact Amber Hart, Program Manager, with any questions: Amber.Hart@careworkscamp.com / 614-932-1553

Unemployment Tax Season: Unemployment tax season is fast approaching, and we offer you the opportunity to reduce this business expense through the CareWorksComp Claims and Tax Management Service. Last year, just one component from this program reduced our customer’s annual unemployment costs **by as much as 10%!**

-Ohio Department of Job and Family Services (ODJFS) allows commonly owned businesses (common ownership for two or more business entities) to apply for a common/joint tax rate for 2018 to reduce their unemployment tax liability. This strategy can significantly reduce an organization’s unemployment costs.

-CareWorksComp can complete a common/joint rating analysis to determine your amount of savings. In addition, customers taking advantage of the common/joint rating analysis will also benefit from a special **reduced service fee.**

-To enroll, please contact Kammy Staton, our Unemployment Manager, at 614.526.7165 or kammy.staton@careworkscamp.com

Since applications for common rating must be filed with ODJFS no later than **12/31/17**, we have a very short time frame to finalize this agreement and complete the savings analysis. If you have any questions please contact Kammy Staton, our Unemployment Manager, at 614.526.7165 or kammy.staton@careworkscamp.com.

Our dedicated Cost Containment Team is here to assist you at every step of the cost savings process! We are available to discuss your account and offer specialized recommendations based on your company’s individual needs.

Be a Part of the **Shop Small** Movement in *Richland County!*

What is it?

- Small Business Saturday is the Saturday after Thanksgiving.
- It's a national movement promoted by American Express to encourage people to include small businesses in their holiday shopping (you do not need to accept American Express to participate)
- Locally, we are joining together to promote small businesses county-wide (Chamber membership is not required to participate)
- Some local businesses report that this is the busiest day of the year for them!

How do I participate?

- We will be giving out "Passports to Small Business" to the public.
- As a vendor, all you have to do is stamp the passport when a customer visits your store.
- There is no purchase required by the customer, but we believe by encouraging them to visit as many stores as possible that many will end up spending money with you.
- For each stamp received, the customers will be given an entry into a prize drawing.
- Offering a discount is optional but highly encouraged to benefit your business!
- Provide a \$20(or more) gift card/certificate for the Passport drawing

What do I receive?

As long as you register before the deadline date you will receive:

- Your business name & location info on the printed passport.
- A stamp to mark the passports.
- A stack of passports to hand out.
- Small Business Saturday promo materials
- A boosted Facebook promotional post from the Richland Area Chamber of Commerce (in Nov).
- Inclusion on an email blast by the Richland Area Chamber
- Inclusion in over \$4,000 worth of advertising to promote the day and awareness of small businesses

No Reason Not to Participate!

Collectively we spend **thousands** of dollars to promote Small Business Saturday in our community. We also receive thousands of dollars of in-kind support from our media partners. All that for the "price" of a \$20 gift certificate to promote your business!

Is It Really the Same Day as the OSU-Michigan Game?

Yep, sorry about that. It's a national day that's set by American Express. We encourage you to embrace it and play it up!

2017 SMALL BUSINESS SATURDAY REGISTRATION- DUE BY 11/10/17

*Businesses must be a locally owned franchise or independently owned retail business to be listed on passport.

Richland Area Chamber Member **SPOTLIGHT**

**SOMETIMES
SMALL IS...
BIG!**

GROhio Community Credit Union is relatively small in size, but they have found many ways to use that to their advantage throughout the years.

Founded in 1960 as the Gorman-Rupp Associates Credit Union, it was chartered as an employee share owned group. Membership was restricted to employees and their families. The underlying philosophy of all credit unions is: 'a non-profit financial institution formed, owned, and operated with the sole purpose to help members help one another financially'. Subsequent to the legendary growth of Gorman-Rupp, the credit union followed, originally located on Elm Street, then on W. Fourth St. in 1987, Orange St. in 1992, and finally into its current location in 2010. Another important change occurred in December of 2009, when the charter was changed to become a community institution, expanding membership potential to anyone who lives, works, worships, or goes to school in Richland County. The institution is governed by an elected 5 member volunteer board and employs four full time and two part time individuals.

When asked what makes GRO different, CEO Scott Donnenwirth was quick to respond with two words, "personal service". Small, compared to some of the mega sized global banking firms, GROhio Community Credit Union is BIG on customer service. If you enjoy doing business where they greet you with a smile, call you by name, and recognize you as a member, not a customer, here is your place!

Scott, Kim, Marsha, and Molly

Coming soon is a new savings program directed at youth called 'SaveHicle', a car shaped personal bank with a key, with three components: Saving, Spending, and Giving. The key is held only by the Credit Union. The goal is to help junior savers develop a passion for saving, a purpose in spending, and hope in giving.

GROhio Community Credit Union is located at 1766 Harrington Memorial Rd, Mansfield, OH 44903, phone: (419) 525-3800.

Need a widget for your gidget?

To any parent or grandparent this probably sounds like the beginning of a Dr. Seuss story, but it describes how many of us try to describe the piece or part we need for a home project or repair. Welcome to the world of the traditional hardware store, in this case, Smith True Value Hardware in Bellville.

Beginning in 1977 Brad and Karen Smith purchased the building that they are in today, which was known as the 'The House of Wood'. It was basically a gift store specializing in wooden products, with a little paint and some hardware thrown into the mix. In 1985, the decision was made to become a full service hardware store, affiliating with Servicestar which later merged with True Value in 1997.

Competing with the huge 'box' type home improvement center might seem like a lost cause, but the key to their success is service, service, service. With a well-trained and professional staff of courteous employees, they are at the ready to answer your seemingly silly questions about what piece or part is required for your project. Contractors are equally at home at Smith's. Brad describes their customer mix at about 50/50, divided between home owners and professionals. Access to an inventory of over 70,000 items, value pricing, and knowledgeable customer service makes this Bellville hardware store an obvious choice.

Asked about the future, two things came to light; one, the return to Bellville of their son Kelsey to take over some of the management duties, and two, a 4000 square foot expansion in the very near future.

Smith True Value Hardware is located at 143 Main St., Bellville. Additional information is available by phone (419-886-3200) or at www.smithtruevalue.com.
