Letter from Jodie

Showing Some Small Business Love

Dear Members,

I will be honest, I am having a hard time wrapping my head around the fact that it's October already! In one way it feels like life stopped back in March when the pandemic descended upon us. None of us really knew what lay ahead when the first orders started coming down. Now, more than six months later we have all been forced to adapt and respond.

It has affected different types of businesses in different ways – but we know for sure that small businesses have been deeply impacted. Here at the Chamber in July we took some time to look at what we were doing and how we might switch things up to better adapt to what the needs of our business community were. Sometimes it is hard to throw out your playbook and start anew, but in many ways we had to do that because “the usual” was not going to cut it. Since then we've been working on a myriad of things – some you've seen, some you're about to see, and some you will never publicly see but are happening behind the scenes.

For now, let me share a few things that are targeted at our small business community. I hope that you all are able to plug in as able:

- Small Business Grants – partnering with Richland County, Cities of Mansfield, Shelby, and Ontario...and soon some others – we're in the process of awarding over \$650,000 to local small businesses – and there is more on the way. We're currently planning for a Round 2 of applications + a round targeting non-profits. Look for more details in mid-October. I want to thank our local elected officials who have all been so great to work with and have heard our call that small businesses need the support!

-1st Annual Richland County Restaurant Week – can we all give a socially-distanced hug to our local food establishment owners and workers? They have been through a lot and we want to make sure that we continue to support them and keep them going. So, we're creating our first annual Restaurant week for November 15 – 21st. They will be offering specials that can be dine-in or take out – so you can support your local establishments as you are comfortable. If you own a food establishment – check out this newsletter for more details and sign up in October to participate!

-Small Business Saturday – we have done this with a collaborative county-wide group for years and we're continuing it for 2020 – Saturday, November 28th – mark your calendar. We're adapting a few things to be safe for social distancing. Retailers – check out this newsletter for more details. Everyone else – I hope you will plan to participate and support our local small businesses.

-Small Business of the Year – we’re continuing on with our annual celebration for small businesses and small non-profits. We may be in person or virtual – we will make that call a little closer to date – but we knew we couldn’t miss the chance to honor the best of the best. I hope you will mark your calendar for Friday, December 4th to help us honor these outstanding folks. We’ll be announcing our finalists in early November.

Richland County – it is time to show some love for our local small businesses. “We’re in this together” has become one of the most overused phrases of the pandemic – but it’s true. We are all dependent upon each other. And our small businesses are most especially. Think twice before you click purchase on your next Amazon order – can you buy that here locally? Many small businesses even have online ordering and they are ready to serve.

As always, the Chamber is standing with you during this time. Be safe and #ShopSmall!

Onward,
Jodie

Each year just before Thanksgiving, lit holiday wreaths appear on the streetscape light poles in Downtown Mansfield, decorating Park Avenue West, Main Street, and Walnut Street, helping us all to get into the holiday spirit.

The oldest 38 of our 82 holiday wreaths have exceeded their useful lifespan and are looking noticeably shabby and worn. They are ready to be retired.

The Holiday Lights committee, part of the RCDG Beautification Sector, is working to restore and upgrade those original 38 wreaths.

HOW IT'S DIFFERENT THAN OTHER LOANS

This loan program with collateral enhancement is aimed at helping to support Richland County small businesses!

Many local small businesses may need extra capital to help them fully reopen after the pandemic caused large scale shutdowns, but often have no additional assets to use as collateral to obtain a loan. With this program, companies will apply to a participating local bank for a loan, and these RCDG funds will be used as additional collateral for the bank to make the loan.

RCDG will be able to allocate up to \$10,000 of collateral per loan. The terms of the loan (amount, interest rate, and repayment period) will vary by financial institution, but will be generally favorable for a small business.

For more information about the RCDG Small Business Loan Fund, you can visit the Chamber's website at RichlandAreaChamber.com and click "Economic Development". Barrett Thomas, Economic Development Director can be reached at 419-522-3211 or via email at bthomas@chooserichland.com.

LENDING FAQ

Why isn't RCDG just directly lending the money?

Your relationship with a bank is very important and we don't want to step in the way. Additionally, banks have the capacity and the systems in place to take, review, and process loan applications and RCDG doesn't. We are trying to use the existing systems to make this as easy as possible for the business applying, the bank, and RCDG.

What is collateral enhancement?

When banks make loans they require collateral, often small businesses already have everything pledged as collateral. RCDG will step in and provide the collateral for the bank to make the loan.

Is any portion of the loan forgivable?

No, this is a traditional loan that needs to be repaid.

What are the rates and terms?

The rates and terms vary for each application in the same way that they normally do for business loans, but the rates will be very competitive.

What can I use the money for?

Loan uses are very flexible, inventory, rent, payroll, advertising, but they must be business and not personal expenses.

Can I borrow more than the maximum?

Not through this program, please talk with your lender for additional needs.

Do I automatically qualify for this loan?

No, decisions are made by an independent review committee based on the application and bank's credit analysis.

How are you deciding who gets the money?

The first 20 completed applications forwarded to RCDG from a participating banker will be considered for funding by an independent review committee. As funding allows we will continue to process additional applications.

Where do I start?

By contacting a participating commercial banker.

How to Recover From a Career Setback

Presented by Lori Cope

When: **Wednesday, October 21st | 11:45am - 1:00pm**

(lunch is served at 11:45am, program begins at 1pm)

Where: **Deluxe Catering & Events**

28 N. Main Street, Mansfield

Lori has experienced a career setback like many others, but will speak with the group on how she managed to come out of it by making the best of it and loving the new adventure!

Lori A. Cope

Lori began her career with the City of Mansfield in 1993 as a Police Officer. After a near fatal cruiser accident in 2003, and two years of recovery, she opened her own driving school business. It was a wonderful success, which allowed her to open numerous locations around the area. She then was offered the position of Safety Service Director for the City of Mansfield, which she currently has held for the past ten years.
