(Sounds like a great banking friendship.)

What does it mean to be Richland County's only local independent bank? It means, not only do we share expert financial tips and services with you, we also share grocery store aisles and playgrounds, as well. Which gives us a much better understanding of you and your needs. You know, a Hometown Advantage.

Looking for local workforce talent?

Build Your FREE Business Profile Today!

What is Community Opportunity?

Simply put, Community Opportunity is a resource for companies to find local talent. It is a comprehensive website for students, job seekers, and area businesses alike to connect, network, and find/share employment opportunities within our community.

The goal of Community Opportunity is to ensure that everyone in our community is aware of the jobs and careers available. Our local companies are in need of our local talent, who all too often do not realize the great opportunity right here in our own backyard.

Why Should I Participate?

Community Opportunity is a free resource for you as a local business -- you will have access to local job seekers' resumes, and you'll also increase your organization's visibility and community engagement at no cost to you. It's a win-win!

How Do I Build My Profile?

It's easy! Follow the three simple steps below to get started. You'll just need basic contact information, a company summary, plus a photo and/or video.

Step 1: Visit www.communityopportunity.com. Click "Company Registration".

Step 2: Complete the Company Registration form. This includes contact information, company summary/profile information, and industry selection.

Step 3: Click the green "Register" button.

Once you've submitted your information, you'll be able to edit the content, upload photo/video, and post job openings. All profiles are subject to approval. Once your profile is approved, you will be able to upload your logo, photos of your business, and more.

We're happy to help!

Once you've set up your profile -- or if you have any questions during the process, don't hesitate to contact us.

- Clint Knight, Director of Workforce Development

Tom is a sales leader. He is highly experienced in leading field-based sales professionals with his skills in business development, communication, prospecting accountability, and getting to the truth on a sales call! Tom's presentation is one of delivering education vs. making a sales pitch.

When Buyers and Salespeople begin the selling "dance," there are two systems at work: the Buyers system and the Salesperson's system.

In the Buyers system, the agenda is generally one of trying to gather as much information as possible, while giving little, negotiating for the best possible price in terms of goods and services, playing their cards very close to the chest, and then....disappearing! Sound familiar?

Join us on February 22 as Tom Thon with Sandler Training shares a few tips on how YOU can take the lead in the ballroom of "The Buyer Seller Dance".
