Help Us Grow & Get Rewarded!

Jennifer Wagner

Director of Member Engagement, Retention & Services

We're excited to announce the launch of our Chamber Member Referral Program; a simple way to help grow our vibrant business community and say thank you to the members who help make it happen! As a member of the Richland Area Chamber, you already know the importance of benefits of Chamber membership. Why not spread the word?

Here's how it works:

If you refer a business or organization to the Richland Area Chamber & Economic Development and they join within 60 days, you'll receive a \$25 gift card to a Chamber member business of your choice as a thank-you from us! It's our way of showing appreciation for your support and encouraging continued growth in our network of community business partners.

Making a referral is easy:

1. To refer a potential member, simply visit our website at www.richlandareachamber.com, click on the "Membership" tab, then select "Member Referral Program."
2. From there, you can fill out the online form with the business or organization's details and select **submit**.
3. Prefer paper? A printable PDF version of the form is also available on the page.
4. We'll reach out to the referral and once they officially join, we'll contact you to make arrangements for your \$25 gift card as a token of our thanks!

There's no limit to how many businesses you can refer; so keep those referrals coming!

Have questions or need more info? Contact me at 419-522-3211 or jwagner@richlandareachamber.com.

Please don't keep the benefits of being a Chamber member a secret! Participate today!

Warm regards,

Jennifer Wagner

The Chamber Turns Its Focus to Community Health

This year, the Chamber is turning its attention to a new priority: community health. We believe that health is a cornerstone of community development. When individuals are well, our workforce is stronger, our businesses are more resilient, and our region thrives.

We're in the early stages of planning a long-term wellness initiative in collaboration with many of our area's outstanding health partners. This effort will take all of us, and we know that meaningful change comes through shared commitment. Collaboration will be key to its success.

To start, we're inviting local organizations to help us populate our Events Calendar with upcoming health-related events. Sharing your programs helps build awareness and unites our efforts.

Stay tuned for more to come!
